Dear Camp Families,

We are grateful for your interest in our camp for summer 2024 and look forward to meeting you soon! My name is Victoria Anderson and I am the Director of Camp West Mar. I was born and raised in Minnesota and moved to Maryland to be closer to my older sister and her growing family. I am thankful to have been raised by parents who valued time in the outdoors. We camped at state parks, spent summers swimming at the lake, and hiked year round. My experiences in nature as a child led to my passion for outdoor recreation and education.

At Camp West Mar, we are committed to providing a safe space for campers to grow socially, emotionally, mentally and physically. Overnight camp is a unique experience that will challenge your camper in new ways. Our exciting activities are designed to be fun and promote growth through challenge by choice. We hope to inspire your camper to try something new, learn through discovery, and find their Y.

Our core values guide us in all that we do. We are caring, honest, respectful and responsible. Our community is strongest when all staff and campers demonstrate these core values. I encourage you to discuss with your camper what each of these mean and how they can uphold these positive character values while at camp.

Please, take some time to review this handbook. It outlines policies and procedures and answers many commonly asked questions.

I am eager to meet each of you and to provide a memorable camp experience!

Sincerely,

Victoria Anderson

Director of Camp West Mar

Our Camp Philosophy

It is the goal of Camp West Mar to build community while providing a safe, fun, magical and educational experience for all campers through the demonstration of our four core values:

Honesty: To tell the truth, have integrity and build trust

Respect: To value the worth of every person and treat others as you would like to be treated

Responsibility: To do what is right and be accountable for your behavior and your obligations

Required Camper Documents and Medications via Brightwheel

Parents/guardians will be required to sign up for a Brightwheel account prior to the start of their camper's arrival. This platform is where the required health documents and waivers can be found and completed. Every camper is required to have the Waiver and Health Form completed before they can start camp. This platform is also used to communicate with parents/guardians during your campers time with us at camp and make announcements regarding changes or alerts.

If your camper is bringing **any medications**** with them to camp, there are additional forms required to be completed:

1. Medication Administration Authorization Form: This form needs to be completed if your camper is bringing *any* form of medication (prescription or over the counter) with them to camp. (i.e. seasonal allergy medication, vitamins, melatonin, ear or eye drops, topical medications, any prescription medications, etc). **All medications, prescribed or over-the-counter, require the approval of both the child's physician and the parent/guardian.** The physician section and the parent section **MUST** be completed in full for ALL medications.
2. Allergy Action Plan: This form only needs to be completed if your camper is bringing medication related to an allergic reaction (i.e. EPI pen or benadryl for allergic reaction). If this is the only medication your child is bringing, this is the only form that needs to be completed, both by the physician and the parent/guardian.
3. Asthma Action Plan: This form only needs to be completed if your camper is bringing medication related to asthma (i.e. inhaler, nebulizer, etc). If this is the only medication your child is bringing, this is the only form that needs to be completed, both by the physician and the parent/guardian.

ALL medications **MUST**:

- Be in their original container (prescription and over the counter)
- Contain pharmacy prescription label (if it is a prescription medication)
- Be turned in directly to the camp director (or other med certified staff) on arrival day with the necessary completed form(s) listed above

*Note: If you have created a Brightwheel account in previous summers, you can use that same account. However, all applicable forms will need to be completed again for the 2024 summer camp season as they may have changed.

****Anything with a drug label is considered a medication, i.e. neosporin, melatonin, zyrtec. The only exceptions to this rule are insect repellent and sunscreen.**

Examples of what NOT to bring to camp:

Food or snacks of any kind
 Electronics of any kind, including smart watches
 Bicycles
 Valuables
 Weapons, drugs, alcohol, tobacco

Electronics

In a continued effort to maintain a more “unplugged” atmosphere, camp is a place to connect with fellow campers and staff members and to play outdoors. Therefore, we do not recommend that electronic devices be brought to camp. They tend to be expensive, fragile, and bringing these valuable items is done at your own risk. Camp is NOT responsible if any of these items become damaged, lost/misplaced, or stolen. All electronic devices are prohibited, including, but not limited to, smart watches and handheld video games. What constitutes “electronic” is up to the discretion of the camp director.

Electronic devices of any kind are not allowed at camp and will be confiscated and safely stored until you arrive to pick up your child. We ask that you please support us in our decision to not allow electronics and discuss with your camper the importance of this policy so there is no misunderstanding when they arrive at camp. Should you have questions on this policy, please contact our camp office.

Valuables

Please leave all valuable items at home. If we find campers with these items, we will collect, record and store them until the end of camp. Additionally, please do not send your camper(s) with any favorite/valued items (clothes, shoes, baseball hat, water bottle, etc) as they tend to become misplaced or lost.

Food/Meals

Special medical food concerns or needs including food allergies (e.g., gluten or lactose intolerant or nuts) and preferences (e.g., vegetarian, etc.) should be brought to our attention PRIOR to the start of your campers session. We ask that no beverages, candy, and/or food, be brought or sent to camp for the following reasons:

1. Food in the cabin attracts chipmunks, flies, mice, and skunks.
2. It undermines the community if a few have food and others do not.
3. Snacks and limited amounts of dessert offerings are offered at camp.
4. Filtered water is available. Campers SHOULD bring a water bottle to camp with their name on it.

Any food and beverage items brought or sent to camp will be disposed of at our discretion and will not be returned to the sender. Please discuss this policy with your child as well as with their friends and relatives prior to camp.

We serve three meals a day plus an afternoon snack. Our goal is to provide nutritious meals that keep campers well fed and happy. Desserts are only served after dinner.

Campers Missing Home

Missing family members (even pets) and home are natural for children. Our staff members are trained in working with children and helping them to deal with missing their family members. Being away at camp will help your camper grow in their confidence and independence through skill building and making new friends. Your support of this normal process is critical to your camper's success.

How can you help your child adjust to being away from home?

- Practice overnights with family members/friends to help first time campers get used to being away from the comforts of home.
- Please send pictures of family members and friends with your camper to camp.
- Set the goal of staying the whole session. Please do not tell your child that they can come home or that you will pick them up if they are homesick as it sets them up for failure instead of success.
- Start while your camper is still at home and help them be proud of being independent and ready for camp.
- While your camper is at camp, please send cheerful, upbeat letters or emails that focus on how much fun they are having and less on what they are missing at home.

What About When You Miss Your Child?

We know it is difficult for parents to be away from their child during camp, which is completely normal. We want to work together to make the experience positive for you and for your child! Here are some tips, from other camp parents, on what you can do:

- Before your camper leaves, make a list of things you are going to accomplish while they are enjoying their camp experience (like things you have not gotten around to before now!).

- Remind yourself about why you chose to send your child to overnight camp and of the development, growth, and independence you want for them.
- Talk with another parent who has experienced the same feelings when their child left for the first time.
- Take time for yourself! Just like your camper is trying new things and experiencing personal growth, please be sure you do the same so that you can be reenergized when they arrive home with all their stories.
- Write your child encouraging letters by mail or send emails daily.

Communication with Your Camper

How can you stay in contact with your camper? Write letters and/or emails! Getting mail is a big deal, even if campers do not yet realize this.

- We recommend that you write your letters ahead of time and leave them with camp staff during check in on Sundays. This (or emailing) is the only way to guarantee your camper will receive mail daily.
- If you would like to send letters in the mail, we recommend sending them a week in advance. Please keep letters uplifting and encouraging: let your camper know you are proud of them and that you hope they have a great week at camp. It is best to refrain from sharing what your camper is missing that is happening at home.
- You are welcome to send care packages, but they will be opened and checked by a staff member to make sure they do not contain any items not allowed at camp, including food or money.

Please send mail to:

YMCA Camp West Mar
C/O (insert campers full name)
14509 Brown Rd
Sabillasville, MD 21780

- You may also write emails to west-mar@frederickymca.org
- Please put CAMP MAIL and your campers full name in the subject line. Remember that our staff will be able to see them, but they will not read them. We print and hand out emails daily after lunchtime.
- We will encourage campers to write home, as well, even if those letters arrive in the mail once the camper has returned home. It helps them feel connected and allows them to document some of their experiences. We encourage you to send them with paper, **stamps**, and envelopes that are **pre-addressed**.
- You will not be able to reach your camper by phone, except for emergencies (to be determined by the camp director). If you would like to speak with your camper's counselor, please email us to arrange a phone call. Also, email us if you are concerned about anything and we will do our best to address it. Just remember that time passes differently at camp, so our response time might not be as quickly as we're all accustomed to in everyday life. We are busy having fun with our campers!

Activity Blocks: archery, canoeing, sports (e.g. soccer, basketball, kickball, etc.) hiking, slingshot, team building, arts & crafts, sand volleyball, hammock village, low ropes, etc.

Closing Ceremony: All staff and campers are held to the standard of our YMCA four core values (caring, honesty, respect and responsibility). Each day, four campers from each of our camper groups will be recognized for exemplifying one of these core values during the day.

Evening Activity: Capture the flag, scavenger hunt, skits, high ropes big swing, etc.

Embers: Each night, campers will find a quiet place with their cabin mates and counselors to reflect on the day, their experiences and our core values through a variety of activities.

Camp Store

Each camper has a \$5 credit with the camp store through their camp registration fee. If you would like to leave additional cash for your camper to spend in the camp store during the week, please leave it with the check in staff during arrival on Sunday. **The camp store only accepts CASH**. Campers will have the opportunity to visit the camp store during their week with us; note that purchasing of snacks and beverages are limited on a daily basis. Campers will not be allowed to keep cash with them. If campers are found with cash, it will be collected, recorded and kept in the camp store. Your camper can only spend what we have on file - we will not allow purchase on credit. If you would like to visit the camp store with your camper during arrival or departure, just ask a camp staff member.

The camp store will offer the following for purchase: camp apparel (sweatshirts, sunglasses, etc.), postcards, stuffed animals, water bottles, stickers, headbands, treats, beverages and more!

Safety at Camp

Safety is given top priority at camp. Facilities and policies have been constructed to provide a consistent and thorough safety program. During training week, counselors are trained in safety expectations and rules for all aspects of camp life. Safety regulations are posted and practiced by all campers and staff members. Please talk to your campers about the importance of following safety rules and appropriate risk-taking.

Health Center

Our health center is located at the back of our dining hall. Campers can receive basic first aid care here, as well as be safely isolated from others if they were to become ill. This is also where camper and staff medication is safely stored and locked. If your camper has medications they will need to take during their time with us, be sure to turn in all medications and necessary forms to the camp director at check in on Sunday.

Alcohol, Drug, Tobacco, Vape, and Behavior Policies

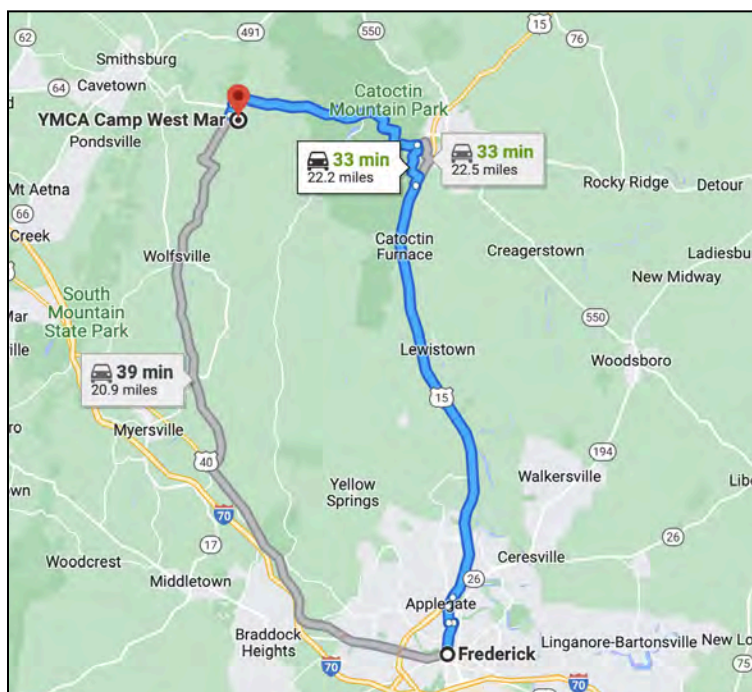

Camp offers a safe, substance-free environment. Our positive core values (caring, honesty, respect and responsibility) set the tone at camp and are role modeled by our staff members. There shall be no chewing/smoking/vaping of tobacco, drinking of alcoholic beverages, use of illicit drugs, or other abusive/harassment behaviors at camp. We reserve the right to dismiss any camper or staff member whose actions, attitude, or behavior, in our judgment, is contrary to the best interests of the camp or other campers and staff members. Please discuss these policies with your camper prior to their arrival.

Our core values are central to all that we do here at Camp West Mar. Additionally, it is important that we are SAFE above all else. It is expected of all staff and campers to practice safety, caring, honesty, respect and responsibility.

Our staff will take great care of your camper and provide them with a week to remember for a lifetime!
- On your way out, please stop at the check in table under the pavilion, one more time, to make sure you are all set!

Departure

Pickup is between 4pm and 5:30pm on Friday (for 6 day sessions) or Wednesday (for 3 day sessions). When you return to pick up your camper, please follow the same parking rules. Please do not arrive any earlier, as the buses for our day campers depart camp at 4pm; we need to keep the road and parking lots available for those buses until 4pm. Thank you for understanding! If, for any reason, you should need to arrange an earlier pick up time for your camper, please let us know ahead of time. Be aware that your camper may miss out on closing ceremonies and end of week traditions if they leave early.

Please sign your camper out at the camp office (red train car) and collect your campers medication(s) before leaving.

Your camper will receive breakfast, lunch and a snack on their final day with us.

All of us at Camp West Mar look forward to meeting you and your camper this summer!
