YOU PLAY. THEY PLAY...

At the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

YMCA programs teach young people important values such as caring, honesty, responsibility, and respect. Through a variety of fun and rewarding activities, they also develop valuable skills while they gain confidence and self esteem.

100% of the proceeds from the tournament will be applied to a financial aid fund to benefit children and families in Frederick County.

Help the YMCA make a difference in the Frederick community - one child at a time, one family at a time. The YMCA can make an immediate impact on a child's life, but we can't do it without you!

THANK YOU FOR HELPING US MAKE A DIFFERENCE!
