

Welcome to Y Summer Camp 2026!

Dear Camp Families,

Welcome to Week 4! We are looking forward to our fourth week of the 2026 camp season! We're so excited to host your child and look forward to this being the summer they never forget. Please remember to assist your camper in wearing weather appropriate clothing each day (hat, light weight clothing) and be prepared for any changes to our processes due to inclement weather this week.

To stay up to date, visit the [camp page](#) on our website for all general camp related information, current newsletters and medication forms. You can also find the links for our Parent Handbook and more here: [YMCA Forms and Resources](#)

Prior to your first day of camp, review the [Parent Handbook](#) for **important** camp policies including drop off and pick up information for each location. You can find information about creating your **Alaris account** and adding authorized pick ups – critical for a smooth drop off and pick up [HERE](#). We will also use Alaris to alert you of indoor pick up due to inclement weather, or other important updates. At each location, our Camp Coordinators are available daily to help with any questions you may have.

Helpful Hint: Pack your campers swimsuit in their backpack for Monday so that you don't forget it on their swim day!

Reminder; We only allow Coast Guard approved flotation devices for use in our pools. Please check the inside of your child's flotation device to ensure it is marked as Coast Guard approved.

For drop-off and pick-up at all Natelli Camps: Follow the signs around the back of the parking lot to the pavilion. Please remain in your car during this time to keep traffic flowing smoothly. Staff will assist your child exiting and entering your vehicle.

If dropping off **after 9am** or picking up **before 4pm**, you must park and enter the Y through the main entrance and check your child in with our membership services staff.

Meet Sigrid Gray - BASE Site Director and Camp Coordinator at Natelli

Sigrid has been working for the YMCA for almost four years. One of the best parts of her job is spending time at her site with the children, who are truly the highlight of her day. She enjoys watching them grow, learn, and develop into their own unique personalities, and being part of that journey means a great deal to her.

Outside of work, Sigrid enjoys traveling, going out to eat, and celebrating the fact that she no longer has homework after completing her degree this past May. Her son is a major part of her world, and she takes great pride in helping him stay focused and successful. One of her most cherished memories is bringing him home from the hospital after he was born. In that moment, she felt overwhelming joy and realized it was the two of them together for life — a memory that will always hold a special place in her heart.
