Here are a few reminders to make sure your camper has a great experience with the YMCA.

1. Please make sure that your child brings a water bottle that is labeled everyday.
2. We are providing breakfast, lunch, and snack. If your child needs anything additional, please communicate that with the site director.
3. **Remember to bring a photo ID everyday** in order to pick up your children as well as those who are identified on the emergency card.
4. If you are a newly enrolled family, please remember that there are required forms that need to be filled out before you are able to drop off your child. If you have any questions, please let me know or speak with the site director and the forms will be given or sent to you.
5. We are having a couple of field trips next week and want everyone to be prepared. Please make sure that you look at the calendar at the site and the specifics for the times and dates of your field trips and activities.

Thank you again for entrusting your children with us. They are having a great time and are loving the experiences in each of the sites. We strive to provide the best Summer camp experience with fun, excitement, and a variety of experiences for everyone to enjoy. Again, we hope you had a great summer and we look forward to seeing you in the school year and next summer!
