

Healthy Kids Day[®]

MAY 14, 2022

Are the kids in your life already dreaming of summer? When kids are inspired, they can do anything. Let's awaken their imagination so they can explore new activities and healthy habits. Join us!

Summer is the time for kids to get up, get out and grow. But for some kids, exposure to activities that stimulate the body and mind ends with the school year. In fact, research shows that kids are prone to gain more weight and fall behind in studies. Every year the Y celebrates Healthy Kids Day[®], our national initiative to improve the health and well-being of kids.

**AWAKEN
SUMMER
IMAGINATION!**
